BRIEF FACTS OF THE CASE

The First Information Report was lodged by Shri Suresh Kumar on 2025-12-17 regarding a theft that occurred at his dwelling house. As per the complaint statement, on the intervening night of 2025-01-15 and 2025-01-16, between 22:30 hours and 01:00 hours, while the complainant and his family members were asleep inside their dwelling house located at H.No. 12-45, Renigunta Road, Tirupati (Note: Complainant's address in structured FIR data differs from that mentioned in the complaint statement), some unknown person(s) trespassed into the house. The entry was gained by breaking open the rear door lock. The unknown person(s) then committed theft of one

gold chain weighing approximately 20 grams, one pair of gold bangles weighing approximately 30 grams, one gold ring weighing approximately 5 grams, and cash of Rs. 25,000/-, all of which were kept inside an almirah. The complainant noticed the rear door open and the articles missing upon waking up in the morning, subsequently confirming the theft with family members before lodging the complaint. The total value of the stolen properties is stated as Rs. 25,000/- (Note: This value appears to refer only to cash as per propertiesTotalValueInr field, while ornaments were also stolen).
